

21-22 School Year Information

Tuition & Open Classrooms

The Treehouse is only enrolling for our 2-5 Mixed Age Classroom at this time. If you are interested in placing your child on our waitlist for the Infant & Toddler classroom (ages 6 weeks - 23 months) please email an [Enrollment Application](#) to beth@thetreehousenurseryandpreschool.org.

[HERE](#) is the Tuition and Fees information for the 2-5 Mixed Age Classroom for the 21-22 School Year. We do not have tuition information yet for our Infant & Toddler classroom as we do not yet have an opening date for that classroom (though our goal is January 2022).

Food Program Changes

The Treehouse will not be providing lunches every day this year. This school year we will only be providing lunch on Fridays but hope to be able to offer M-F lunches again in the future! We will still be providing 2 snacks per day for full day children and 1 morning snack per day for 12:45 pickup children. Please see the food rate information in the document linked above.

First Day of School

The first day of the 21-22 school year is: Monday, October 4th. Your child's first day will depend on his/her schedule.

Mini Morning and Parent Orientation

Prior to the start of the school year we will have a time for parents and enrolled children to attend a "mini morning" together to visit with their teachers, see their classroom, learn about our drop off / pick up procedure etc... A sign up sheet for this will be sent out in August. If your child is enrolled please tentatively mark your calendar for this event being held the **morning-afternoon of Friday, October 1st.**

Parent Orientation will be on Thursday, September 30th and is required for all newly enrolled families. More details to come regarding the time of the event and whether it will be a virtual or in-person event.

Enrollment Fees, Tuition Deposit & Securing Your Child's Spot

The Enrollment Fees and Tuition Deposit (*see below*) are due upon enrollment to secure your child's spot and the first tuition payment for the school year will be invoiced on August 2nd, due on August 12th. An invoice for the Enrollment Fees and Tuition Deposit will be emailed to you via Quickbooks after enrollment has been confirmed and your enrollment contract written up. You will be able to pay the invoice online when you receive it; it will be due upon receipt. All tuition will be paid online via a monthly invoice you will receive from Quickbooks.

Fees Due Upon Enrollment

If your child is offered a spot in our program, the following will be due upon enrollment:

- Non-refundable Enrollment Fees: \$50.00 Registration + \$240.00 Materials Fee
 - For children enrolling mid-year the Materials Fee will be prorated.
- Refundable *Tuition Deposit: equal to the amount of your child's monthly tuition

Tuition Deposit Details

A Tuition Deposit, equivalent to the child's monthly tuition, is due upon enrollment each year and held throughout the child's entire enrollment. Tuition Deposits are returned* after the child has completed their final month of school and their final tuition payment has been made.

The Tuition Deposit amount that is held throughout your child's enrollment at The Treehouse will always match the amount of your monthly tuition. Therefore if your tuition increases due to a scheduling change during the school year, your Tuition Deposit will increase as well and be due at that time.

**Tuition Deposits will be returned as long as The Treehouse's Withdrawal Policy has been adhered to. If any balance remains on the account after the child's last month of school has been completed then that amount will be deducted from the Tuition Deposit prior to being returned.*

Your Tuition Deposit is not applied to your last month's tuition payment.

Tuition Payment Details

All tuition will be paid monthly via an online payment link you will receive with your invoice each month. Invoices are emailed out via Quickbooks around the 1st of the month and due by the 12th of each month.

School Closures

Holidays and Closures: All holiday closures, Teacher Training and Preparation Week, and Parent Teacher Conference closures that fall on your child's enrollment day, will be included in your tuition. This helps cover the staff for their much earned vacations, sick days, and professional development days.
